REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Westside High School aptly reflects the ideals of its mission statement, "Learning Today! Leading Tomorrow!" By assuring quality improvement in every facet of school life and incorporating the resources and diversities of our communities, Westside High School's mission is to educate all students and produce graduates with the knowledge and skills to be lifelong learners, individuals with ethical character, and citizens who contribute to an ever-changing global society.

Located in an urban area between Greenville, South Carolina and Atlanta, Georgia, our school population consists of approximately 1620 students. We provide an exemplary education to students through a vast array of programs that include rigorous academics, competitive athletics, and excellent visual and performing arts. We have established a smaller learning community with our 9th Grade Academy with promising results in reducing ninth grade retentions. We have also established the AVID program offering more rigorous curriculum opportunities for first-generation college bound students.

For this school year, Westside graduated 332 seniors in May who received over \$5,504,525 in scholarships, received \$214,400 in scholarships for Palmetto Fellows, included 8 Palmetto Fellows, included 84 Honor Graduates, and included 13 recipients of Anderson School District Five Honors Diplomas.

Our instructional staff is committed to providing a quality learning experience for all students. More than 60% of our teachers hold advanced degrees, and 8% percent of our teachers have obtained National Board Certification. For the last three years, our parents, community members, teachers, and local business partners volunteered over 19,500 hours assisting our staff with clerical, instructional, and athletic needs.

We are accredited by the Southern Association of Colleges and Schools. Our curriculum offers courses in foreign languages that include French, Spanish, and German. Advanced Placement courses include English Literature & Language, US History, World History, Psychology, Calculus, Physics, Human Geography, Government, and Biology. We are a Flagship School of Promise, nationally accredited for our Engineering Academy through Project Lead the Way, and in 2004 we won The Palmetto Gold Award for excellence on the State Report Card.

The faculty and staff of Westside High School appreciate cultural diversity, unite in support of democracy, and believe that all students can experience success.
